**LOVELL CENTER**

Jolly-Ate Club  
The Jolly-Ate Bridge Club met this  
week at the home of Mrs. Olive Barker,  
at Number Four. All members were pres-  
ent and two tables of progressive bridge  
were played. Mrs. Rachel Kimball and  
Mrs. Ruth Stanford drew the first couple  
at the head table and held this advantage  
during the entire afternoon. When the  
play was completed this couple out for  
the prize and Mrs. Rachel Kimball was  
the choice of Lady Luck.

Mrs. Barker again proved herself the  
perfect hostess, and her very complete  
Easter decorations gave a decidedly met-  
ropolitan touch to the party. Mrs. Barker  
was acclaimed for the very delicious re-  
freshments which she served.

In spite of the fact that the mud in  
the roads was knee and hub deep, the  
very pleasant afternoon well repaid the  
members for any trials the club members  
experienced in attending the party. The  
new Easter color, Coral-pink, was in evi-  
dence and heartily approved by all.

The next meeting of the Club will be  
at the home of Mrs. Addie Kimball at  
Number Four, on April 12.

## Marriage of Interest in Oxford County

The recent announcement in the Associated Press article of the marriage of Countess Marcelle Lord Vernet, of France and Boston, Mass., and Miss Nancy B. Millett of Bryant Pond, Me., evidently was overlooked by Maine newspapers as an item of interest to local people.

Count Lord Vernet (who is now teaching in a private school in Boston, Mass.) is the last of the family of Vernet who are noted in art and literature in old France, and is the nephew of the famed painter, Horace de Vernet.

He was also the husband of the late Countess Marcelle Lord Vernet who was found murdered in her chateau at Nice, France last October and whose death caused such a wide interest in the hold of art and music, owing to the fact that the countess was an unusually talented violinist and one of the prettiest women in France of today.

Countess Marcelle Lord Vernet was also an intimate friend of the late Isadora Duncan, whose tragic death at Nice, last September, was followed by a weird funeral ritual at which ceremony a score of barefooted young ladies of the famous Duncan school danced a Dance of Death to the tune of Countess Lord Vernet's record playing on the violin of a fugue from Bach which caused the press to remark at her talent and her beauty, then later on just prior to her death Countess Lord Vernet played before the present king of Sweden, and appeared as soloist at a private musicale given by the Prince of Monaco at his palace in the famous town of that name.

Count Lord Vernet is a psychologist of renown, having studied under Freud at Vienna, Austria, and is known as an international lecturer on psychology and New Thought. He is also the author of a book of poems entitled "Pourquoi?" (Why?), a series of talks on psychology which are published in book form, and an unassuming and well-told tale which has been printed in the French, German and English languages "Mandragora." He is also a master of languages, having seven modern languages at his command and is considered an authority on Sanskrit having studied in Deogarh under Alankaranda, a noted advocate of World Peace.

Count Lord Vernet and his new bride are now residing in their apartment on Beacon Hill, Boston, Mass., and is the rendezvous of many of the famous writers and musicians of the modern school. They are planning a trip to France, Italy and Germany in the early summer, and will doubtless spend a few weeks with the Countess's parents, Mr. and Mrs. Walter Millett, of Milton township before leaving for their home in Nice, France.

Mr. Townsend's sermons are always worth listening to. After the regular service, there were special Easter exercises by the children of the Church School, that were very interesting.

The Sabbath school of Easter was broken by the sound of automobiles, as the mud made the roads impassable for cars. Only those who owned a horse, or were able to go to church on foot, lived near enough to go to church on foot.

#### TRANSFIGURATION AND SERVICE

LESSON TEXT—Mark 9:2-29.  
GOLDEN TEXT—He that abideth in me, and I in him, the same beareth much fruit; for apart from me ye can do nothing.

PRIMARY TOPIC—Jesus Shows His Glory.

JUNIOR TOPIC—Jesus Shows His Glory.

INTERMEDIATE AND SENIOR TOPIC—What Faith and Prayer Can Do.

YOUNG PEOPLE AND ADULT TOPIC—The Meaning of the Transfiguration.

When Christ announced His death which was to take place on the cross, the disciples were unable to see how victory could issue from death. Jesus took with Him Peter, James and John into the mountain.

Two men from the upper world were sent to converse with Jesus about His approaching death at Jerusalem—the very thing about which the disciples refused to talk. The transfiguration is therefore a foregleam of the coming kingdom.

I. Jesus Christ Glorified on the Mountain (vv. 2, 3).

He took the disciples "by themselves" and was "transfigured before them." This shows that the purpose of the transfiguration terminated upon the disciples and not on Christ. Christ's rebuke of Peter for his unwillingness to hear concerning His death apparently for a time estranged the disciples from Him. To heal this breach an unusual transaction was required. His shining raiment was typical of that glory which shall be manifest when Christ comes back to the earth. His appearance on the mountain typifies His visible appearance on the Mount of Olives (Zech. 14:4, 9).

II. Peter, James and John Represent Israel in the Flesh in Connection With the Kingdom (v. 5).

Christ is peculiarly the King of Israel. According to Ezekiel 37:21-27, the Israelites are to be the central people in the kingdom. This people shall be gathered from among the nations and united as one in that kingdom, in their own country.

III. Moses and Elias Appeared in Glory With Jesus (vv. 4-13).

These men in the great state are typical of the state of the saints in glory. Moses, who was once denied an entrance into Palestine, appears now in glory representing the redeemed of the Lord who shall pass through death into the kingdom. Multitudes of the Lord's own who have fallen asleep shall be awakened at Christ's coming and pass into the kingdom. Elias represents the redeemed who shall pass into the kingdom through translation. Some shall be living upon the earth when the Lord shall come, and they, without dying, shall be changed and thus pass into the kingdom (I Cor. 15:50-53; I Thess. 4:14-18).

1. Peter's proposal (vv. 5, 6).

So definitely was the method of the kingdom unfolded before Peter that he proposed to erect tabernacles for Christ, Moses and Elias. It is true that the unveiling of the majestic person of Christ and the panoramic display of the kingdom somewhat disconcerted Peter; yet he grasped its central meaning and proposed to celebrate the advent of the kingdom which had been prefigured in a tangible way.

2. The divine voice out of the cloud (vv. 7, 8).

God declared Jesus to be His beloved Son in whom He was well pleased. If one would know what is pleasing to God, let him study Jesus, who perfectly did His Father's will.

3. Jesus' charge (vv. 9-13).

He charged them that they should tell no man concerning the things which they had seen until He had risen from the dead.

IV. A Demonstration of the Purpose of the Establishment of the Kingdom (vv. 14-29).

When they descended from the mountain of transfiguration they witnessed a great multitude in a state of perplexity. The immediate cause of this state was the grievous condition of a young man possessed with a demon (v. 18). The father of the young man had appealed to the disciples to cast the demon out, but they were unable to do so. When they brought him unto Jesus, the foul spirit was rebuked and came forth. This young man's state is representative of the nations who are oppressed by the Devil. Just as this young man was grievously oppressed, causing him to cast himself into the fire and into the waters, so the nations today in their perplexity are doing the things which will result in their own destruction. The Devil will be peculiarly active in the oppression of men and nations in the last days.

#### Getting Salvation

If we are going to get salvation, we have got to get it upon God's terms and not upon our own; and that is why I fear that a good many people will not get it—simply because they can't have their own way about it.—D. L. Moody.

#### Sailing to Glory

We do not sail to glory in the salt sea of our tears but in the red sea of a Redeemer's blood.—Christian Monitor.

## Feel Miserable This Spring?

To Be Well Your Kidneys Must Function Properly.

SPRING find you tired, nervous and depressed? Are you stiff and aching, subject to nagging backache, drowsy headaches and dizzy spells?

Are kidney excretions too frequent, scanty or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor!

The New Dusts you can see Stick

give more permanent protection from each application

These "Kolo" Dusting Materials have sticking properties not found in any other dusting material. They may be applied with equal effect to either wet or dry foliage, and after once "set," will stick for weeks throughout rain and wind. This dust is a visible sticker. You can see it plainly without lens or microscope. Experiments demonstrate that this sticker dust retains a larger percentage of sulphur on the leaf surface for a longer period than is the case of "Lime Sulphur" Solution, or most any other liquid spraying material.
